

## PRODUCT WARNING NOTICE

Anatolian Arms is currently issuing a product warning notice on Anatolian Arms 9mm Luger 115gr Remanufactured ammunition for the following lot numbers.

**Lot # 0331202111556EXREV**

**Lot # 02052155115EXCAM**

Anatolian Arms has recently received a report that these rounds may contain no powder charges. Ammunition with no powder charges may result in a bullet remaining in the barrel (i.e., a bullet-in-bore obstruction). Firing a subsequent bullet into the bore obstruction could cause firearm damage, rendering the firearm inoperable and subjecting the shooter and bystanders to a risk of serious personal injury. **IF YOU RECEIVE ANY ROUNDS WITH THE ABOVE LOT NUMBERS Immediately discontinue use and contact Anatolian Arms.**

**9mm Luger 115gr FMJ**

Lot #0419202111556EXREV

Currently we are asking all dealers to remove product with these lot numbers from their shelves as we investigate further into this matter. Additionally, we are asking all consumers to go to <https://anatolianarms.com/> and register to receive email updates on these lots of ammunition. More information will follow over the next 5-10 business days.

**DO-NOT use this ammunition if your lot numbers match above.** To determine if your ammunition is subject to this notice, review the Symbols and Lot Number that are stamped and located at the bottom of every label.

This notice applies only to Lot # 0331202111556EXREV and Lot # 02052155115EXCAM. Other Symbols or Lot Numbers are not subject to this notice.
